To Whom It May Concern

Re: **BLAKE KAORI HIRAKI**

Please accept this abbreviated letter of recommendation as an enthusiastic endorsement of Blake Hiraki. Blake is an outstanding student athlete who began his 'Iolani career in the 7th grade. He has consistently challenged himself in the breadth and depth of his coursework here, and has earned the respect and admiration of faculty and administrators alike. Despite taking his most challenging course load last year as a junior, he did his best work, earning an outstanding yearlong gpa of 4.08. He has started this year in a similar fashion, and has a cumulative weighted gpa of 3.9.

I am happy to provide additional information directly to any coaches who may be interested in learning more about this outstanding young man. Please contact me directly at tfleming@iolani.org and I will provide a complete letter of recommendation. I can also provide teacher recommendations if such documents are needed.

I recommend Blake in the highest terms to any college or university to which he applies.

Sincerely,

A handwritten signature in black ink, appearing to read "Todd Fleming".

Todd Fleming
Director of College Counseling
